

TDS/Turf Drainage Systems Ltd.

Excavating and Grading Labour Foreman/Woman Position

TDS/Turf Drainage Systems Ltd., Lucan is a drainage contractor who has built a reputation for commitment to high standards and performance. We design and install drainage systems on golf courses and sports fields.

We are hiring a Foreman who will be responsible for supervising up to 10 people. The Foreman position is a year round position requiring the Foreman to work in the shop and participate in active sales during the winter months.

Candidates require a valid driver's license, 5 years experience in the drainage field and a license to install agriculture drainage systems. Candidates must have experience with GPS and laser survey and machine control.

Position is salary based at \$60,000/year, based on a 50 hour week. Position will provide company truck.

Email resume to Melissa@tdsdrainage.com. References are required.

Only those Candidates to be interviewed will be notified.
